

# MMU "Smart Campus" Design Challenge

## Terms and Conditions ("Terms")

Last updated: April 30, 2018

Please read these Terms and Conditions ("**Terms**", "**Terms and Conditions**") carefully before you (hereinafter "**You**", "**Participant**" or "**Contestant**") proceed to register for the "Smart Campus" Design Challenge Competition (the "**Contest**" or "**Competition**") in concert of TM Research & Development and Multimedia University (collectively referred to as "**Us**", "**We**", "**Our**", or "**Organisers**"). The Contest will be based on the usage of Open Innovation Platform (the "**Platform**") throughout the competition.

Participation in the Contest constitutes the contestant's full and unconditional agreement to and acceptance of the Terms and Condition including any variations, amendments or revisions made by the Organizers at their absolute discretion without any requirement of prior notice. These Terms applies to all users and others who access or use the Platform.

We do our best to ensure we accurately represent the intents and purposes of our Contest and its potential to assist you to achieve your goals. Your level of success in achieving positive outcome is dependent upon a variety of factors including your personal skills, knowledge, time availability, ability, dedication and financial circumstance.

By continuing on registering for the Contest you agree to be bound by these Terms. If you disagree with any part of the Terms, you may not register for the Contest. Terms and Conditions for the competition are still provisional and may be subject to slight changes.

## Contest Period

The Organisers will launch the Contest starting from 2nd May 2018 to 30th May 2018 ("**Contest Period**"). We shall reserve the right to shorten, change, revise or amend the Contest Period at any time without prior notice.

All registration must be received through online submission before/by 17:00:00 (Malaysian Time) on 30th April 2018. Late and invalid entries will not be entertained. The time is based on our server's system time.

## Standard Terms

By participating in the Contest, each contestant releases and discharges the Organisers, and any other party associated with the development or administration of the competition from any and all liability whatsoever in connection with this competition, including without limitation legal claims, costs, injuries, losses or damages, demands or actions of any kind (including without limitation personal injuries, death, damage to, loss or destruction of property including but not limited to data and source code, rights of publicity or privacy, defamation, or portrayal in a false light) (collectively, "**Claims**").

Cost of travel to and from the location of the Competition and all other associated costs and expenses incurred or arising from participation shall solely be on your own accord.

It is agreed by you that through your participation in the Contest and by you sharing your business concepts, ideas, information, materials, tools, processes and strategies with the Contest Participants, you absolve us from any and all implied confidentiality, circumvention and/or competitive restrictions and no claim in any form whatsoever shall be made by you against us due to your voluntary disclosure.

We are also not responsible for any error, omission, interruption, deletion, defect, delay in operation or transmission, communications line failure, theft or destruction, unauthorized access to, or alteration of, use of communications, or any problems or technical malfunction of the Platform, any phone network or lines, computer systems, servers or providers, computer equipment, software, failure of e-mail or players on account, of technical problems or traffic congestion on the internet and/or Platform.

If for any reason any part of this Contest is incapable of running as planned, the Organisers may in its sole discretion cancel, terminate, modify or suspend the contest, or invalidate any affected entries without any further liability or any obligation to continue the Contest.

Contestants will fully indemnify and hold harmless the Organisers, its directors, officers, employees, agents and assigns against any and all losses, liabilities, costs, claims, charges, expenses, actions or demands (including legal costs), whether direct or indirect arising out of a breach by him or her of these Terms & Conditions.

The invalidity or unenforceability for any reason of any part of these terms and conditions shall not prejudice or affect the validity or enforceability of the remaining parts and each part of these terms and conditions is distinct and at all times severable from the rest of the terms and conditions.

The Organisers are the final authority to decide on the interpretation of these terms and conditions and as to any other matters relating to this Contest.

## Competition Rules and Regulations

Our Contest shall be conducted with the following rules. We strongly advise you to read and understand the rules and regulations of the Contest before proceed to register.

1. All MMU students are eligible to take part in this competition. No participating student shall compete as a member of more than one team or group in the same competition unless informed otherwise.
2. All contestants are required to present a valid staff/student identification card.
3. Each participating team shall be led by **ONE** lecturer with a minimum of one student and a maximum of five (5) students. One lecturer is allowed to lead multiple teams.

4. Each team is required to make use of the platform provided by the Organisers. We will provide the necessary platform for the contestants to work with. Only the first fifteen (15) teams registered will be given starter fund worth RM500 each.
5. The starter fund procurement for the first fifteen (15) teams shall follow EDC's standard operating procedure.
6. Contestants may write their programs in whichever language they prefer.
7. Teams may submit only a single solution to **ONE** problem that they choose. The solution must be submitted together in a single storage. Both the source code and the executable program in each machine must be well-separated and included in the storage. Once submitted they may not be changed!
8. The Organisers reserves the right at its sole discretion and without having to assign any reason whatsoever, to disqualify any individual or withhold prizes for the following:
  - a. That it determines to be tampering with the operation of the Contest
  - b. To be acting in breach or potential violating to these Terms and Conditions; or
  - c. For submitting incomplete, illegible or false entries
9. Decisions of the jury on all matters relating to the Contest (including without limitation, play of the contest, disqualifying team and/or any resolution made) shall be final, absolute and cannot be contested. No discussion, correspondence, enquiry, appeal or challenge in respect of any decision shall be entertained.
10. Grand prize winner shall be judged and nominated separately by the Organisers' council.
11. Disbursement of the grand prize shall comply with Organiser's research grant terms and conditions, including but not limited to the following:
  - a. The solution contested shall have research elements, business impacts, and potential for adoption.
  - b. The solution provided shall require potential custodianship to be realized.
  - c. The Organisers' parent company (Telekom Malaysia or TM) shall hold absolute ownerships over the work and IP-related rights for the solution awarded with the grand prize.
  - d. The winner shall be decided after approval by Organiser's PSC and DSC councils, with IC recommendations.

## Design Challenge Themes

The Contest shall focus on Smart Campus themes with four (4) listed categories below. However, contestants are permitted to propose other challenge category that is within the scope of Smart Campus themes. Contestants are allowed to choose only **ONE** of the following designs **OR** other proposed designs based on challenge categories:

## **Smart Transport and Parking**

1. Intelligent parking management and parking services through Wi-Fi or sensor-enabled technologies.
2. Optimising vehicle route using video surveillance and real-time vehicle telemetry to ensure students stay safe.

## **Smart Lighting**

Connected lighting in classrooms or across campus to reduce carbon footprint, increase productivity, and ensure students' safety within campus.

## **Connected Classroom**

Bring all forms of access, communication, entertainment, and operations together on a single innovative platform to enhance the teaching and learning experience.

## **Smart Facilities**

Securely gather data from students and staff to create insights to improve experiences and optimise services, safety, space management, and asset utilization.

## **Ownership/Use Rights**

Participant grants to the Organisers a non-exclusive, royalty-free, perpetual license to use the solution materials or information submitted during the Contest (including participants' name, email addresses, photographs, etc.) for advertising, marketing, publicity and communication purposes without compensation to the participant, his or her successors or assigns, or any other entity in any manner it deems appropriate.

## **Governing Law**

These Terms shall be governed and construed in accordance with the laws of Malaysia, without regard to its conflict of law provisions.

Our failure to enforce any right or provision of these Terms will not be considered a waiver of those rights. If any provision of these Terms is held to be invalid or unenforceable by a court, the remaining provisions of these Terms will remain in effect. These Terms constitute the entire agreement between us regarding our Contest, and supersede and replace any prior agreements we might have between us regarding the Contest.

## **Changes**

We reserve the right, at our sole discretion, to modify or replace these Terms at any time. If a revision is materialized we will try to provide at least 30 days notice prior to any new terms taking effect. What constitutes a material change will be determined at our sole discretion.

By continuing to access or use our Contest after those revisions become effective, you agree to be bound by the revised terms. If you do not agree to the new terms, please refrain from registering to the Contest.

## Electronic Records

You hereby agree to the use of electronic records to evidence these Terms and Conditions.

## Contact Us
